CLUB GOALKEEPER GLOVES

Sizes: 4 - 10

Black

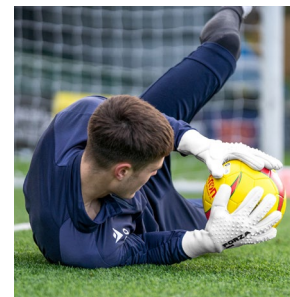

Yellow

Pink

Product features

- The inexpensive football goalkeeper gloves are perfect for training in the garden or playing matches for your local team, with sizes ranging from junior to adult.
- A unique ClubGrip latex plan provides great grip when holding the ball. Thumb wrap gives extra security when the ball is in your hands & aids distribution.
- A strong focus on comfort and protection when designing the goalkeepers gloves allows players to feel more confident, so they can perform at their best.

NGE GOALKEEPER GLOVES

Sizes: 4 -11

White

Yellow /
Black

Product features

- The gloves features a negative cut that provides a tight streamlined fit when in use. This tight fit and feel enhances ball control & feel.
- High performance latex on wet, dry, turf or grass surfaces. An elite tier latex widely used amongst goalkeepers playing at the highest level.
- Intended and designed for the best, these top spec gloves are built formodern day goalkeepers, with an emphasis on comfort & protection.

HYB GOALKEEPER GLOVES

Send us your Logo, sponsors and team information for any number of the following customisable areas:

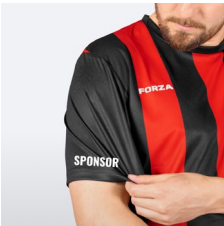

FRONT

- Team Badge
- Front Sponsor
- Sleeve Sponsor

BACK

- Name
- Number
- Back Sponsor

SHORTS

- Team Badge
- Number

SHORTS

- Team Badge
- Number

BAG CUSTOMISATION

At FORZA we also customise your personal / team bags with Names, Initials, numbers, sponsors or club crests.

HOW TO MEASURE FOR THE PERFECT FIT

Chest/Bust

Wrap the tape measure around your chest, just under your armpits. Keep it level and straight across your back. The tape should sit comfortably - firm but not tight.

Waist

1. Your waistline is usually just below your rib cage & slightly above your belly button.
2. Stand up straight, breathe normally & wrap the tape around your waist.

Hips

Stand with your feet together & use the tape measure, to measure around the widest part of your hips & buttocks.

Height

In bare feet, stand up against a wall with your heels together & back straight. Measure from the top of your head down to the floor.

The overall fit may vary based on the item's cut, style, and fabric. For the most accurate result, ask someone else to help take the measurement.

OTHER SIZING CONSIDERATIONS

Fit Preference

When choosing any item of sportswear, keep in mind how you generally prefer your clothes to fit, and specifically your active sportswear. If you are going to play sports in your FORZA clothing, then you are more likely to want an athletic, close-fitting style, and opting for a size down might be a good idea. If you are using FORZA clothing more for leisure, and/or you generally prefer a looser fit, then consider choosing a bigger size.

Layering & Seasonal Considerations

When buying sportswear, it can help to consider what you might be wearing - if anything, underneath a given item of clothing. If you are buying multiple tops that you will layer specifically for winter for example, you may need to consider buying a size up for comfort and mobility.

Wash Correctly to Avoid Shrinking & Damaging Clothes

Always check the label for a given garment to ensure you are following the correct care instructions. Generally speaking, to keep sports clothes looking their best, when washing, turn the clothes inside out and wash colours and whites separately.

Pre-soaking the any stained clothes, in cold water for 30-60 minutes to help lift and remove dirt. You can also add a presoak product to help preserve the vibrancy of the clothes' fabric, but make sure it is safe to use with colours or whites, and sportswear. Wash at 30 °C with a clothes detergent. Avoid overloading the machine and once the washing machine has finished its cycle, air dry the clothes whenever possible. Tumble drying can reduce the longevity of your sportswear.
